SUMMARY

An aspiring Web Application Developer and a 2025 ECE graduate with a strong passion for designing, building, and optimizing web-based solutions. Eager to begin my career in a collaborative environment where I can contribute to creating impactful web applications, while continuously learning and growing with evolving technologies.

EDUCATION

B.E.Electronics and Communication Engineering   **Jun 2021 - May 2025**

KGISL Institute of technology   8

Higher Secondary Certificate   **Jun 2020 - Apr 2021**

Dawn matric Higher Secondary School   94.33%

Secondary School Leaving Certificate   **Jun 2018 - Apr 2019**

Sri Vijay Vidyalaya matric Higher Secondary School   94.8%

SKILLS

Frontend Development

HTML5, CSS3, Bootstrap, Tailwind, Shadcn UI, JavaScript

Backend Development

Java (Spring Boot), Node.js (Express)

Computer Science Fundamentals

DSA, OOPS

Frameworks and Libraries

React, Angular and vue

Database

SQL, RDBMS, MongoDB

Version Control & DevOps Tools

Git, GitHub, Docker, AWS

Professional & Interpersonal Skills

Strong Communication, Teaching Ability, Team Collaboration, Problem-Solving, Quick Learner, and Adaptable

PROJECTS

Hospital Appointment Management System

- **Stack**: Angular, Java (Spring Boot), SQL, HTML, CSS, JavaScript
- Developed a web-based patient appointment system
- Built Angular frontend and Java REST APIs (OOP, SOLID)
- Designed optimized SQL database with relational integrity
- Implemented booking, admin dashboard, and calendar integration

E-Commerce Platform

- **Stack**: React, Node.js/Express, MongoDB (or SQL)
- Built a full-stack e-commerce app with secure login and role-based access.
- Designed React frontend for responsive UI.
- Developed REST APIs in Node.js/Express
- Integrated payment gateway and managed data in MongoDB/SQL.
- Added admin dashboard for products, orders, and users.

CERTIFICATIONS

- **JAVA Fullstack :** KodNest - Software training center.
- **Industrial IoT on Google Cloud Platform :** Coursera

ACHIEVEMENTS

- **Gold medalist** in Taekwondo, Anna University - 2022.
- **Conducting Taekwondo training sessions** across 12+ schools in and around Dharmapuri
- Served as a **Java Trainer**, conducting sessions for over 50 students at Hashcode Technologies
